

# Felsenegg Fondue

The Adliswil-Felsenegg LAF cable car and the Restaurant Felsenegg are pleased to offer you something extraordinary.

The worries of the day are left behind by the ride itself. After gliding silently up to Felsenegg, the view that meets you at the top is breath-taking. A short walk takes you to Restaurant Felsenegg where you will first enjoy a glass of mulled wine on the panoramic terrace and admire the view over the lake and the city. Inside the warm and inviting restaurant, you will be treated to a delicious cheese or meat fondue or raclette. And to round off the evening, the Felsenegg cable car will take you back down to the lower station in just five minutes.
